High-Level Meeting of  
Directors-General

# Statistical leadership in the emerging digital societies

Välkomna till Stockholm! Welcome to Stockholm!

Dear colleagues,

It is with great pleasure that we welcome you to Stockholm. Our hope is that the event will contribute to ideas on how National Statistical Institutes can strengthen the statistical leadership in the emerging digital societies. We look forward to valuable exchange of experiences and interesting discussions and wish you a fantastic stay in Stockholm.

The Swedish Presidency team
