

## Swedish controlled enterprise groups with subsidiaries abroad

2020

Company name:

Address:

SVIK

Information refers to corporate identity number:

Your reply is needed by **5 May**

Statistics Sweden  
D/INS/FS  
SE-701 89 Örebro  
Sweden

**1. Was the enterprise group Swedish-owned on 31 December 2020**

*A limited company is Swedish-owned if 50 percent or more of the votes per share are held by one or more Swedish owners. Please note that we are not asking about a large number of minority owners.*

☐ Yes

☐ No

→ **Please fill in the contact information and send in the form to Statistics Sweden**

**2. Which financial year does the information refer to?**

*The information refers to the 2020 calendar year or the year of operations that includes the greater part of 2020.*

☐ Calendar year 2020

☐ Other period:

-        
 Y Y M M D D Y Y M M D D

**3. How were the companies of the enterprise group distributed per country during 2020?**

Include all subsidiaries that are included in the enterprise group. The subsidiaries should directly or indirectly be owned and controlled by the parent company. A subsidiary is considered owned if the parent company owns more than 50 percent of the shares or the voting shares.

- Internal trade should be included, securities trading should not.
- Dormant enterprises does not need to be included.
- Branches should be included
- Foundations should be included
- Associated companies should not be included
