Information refers to corporate identity number: -----

Your reply is needed **by 13 April**

Statistics Sweden  
D/INS/FS  
SE-701 89 Örebro  
Sweden

**1. Was the enterprise group Swedish-owned on 31 December 20XX?**

No

**Please fill**

*A limited company is Swedish-owned if 50 percent in the contact information*

*or more of the votes per share are held by one or more Swedish owners. Please note that we are not asking about a large number of minority owners.*

**2. Which financial year does the information refer to?** *The information refers to the 20XX calendar year or the year of operations that includes the greater part of 20XX.*

Calendar year 20XX

Other period:

Y	Y	M	M	D	D	-	Y	Y	M	M	D	D
---	---	---	---	---	---	---	---	---	---	---	---	---

**3. How were the companies of the enterprise group distributed per country during 20XX?**

Include all subsidiaries that are included in the enterprise group. The subsidiaries should directly or indirectly be owned and controlled by the parent company. A subsidiary is considered owned if the parent company owns more than 50 percent of the shares or the voting shares.

- Internal trade should be included, securities trading should not.
- Dormant enterprises does not need to be included.
- Branches should be included
- Foundations should be included
- Associated companies should not be included
